DOORBELL FON™

DP-28T

TODAYS GENREATION DOOR BELL

DESCRIPTION

This add-on module is a perfect solution for when you are away from your premises. Connection of the DP-28T to your existing DoorBell Fon™ unit will allow you to answer your door or gate from your cellular phone. By incorporating a DP-28SW you can unlock a door or gate from your cellular telephone.

APPLICATIONS

- Small business office/Home office
- Residential gates
- Commercial applications
- Remote entries

OPERATION

This unit will transfer your DoorBell Fon™ door box to a cellular telephone number that you program into the unit. Simply activate the unit when you leave, and never miss a visitor at your door.
